

Giving made easier

The following is information about our easy-to-use electronic funds transfer service. This convenient service allows you to authorise *Creation Ministries International* to deduct your monthly gifts automatically from your savings or cheque account, or to charge your gift to your credit card.

In addition, by using this cost-effective service, we can both be better stewards of God's resources by reducing processing and postage costs. Therefore, we do not send receipts for every monthly donation, however, we will keep in regular contact with you via our newsletters and other mailings.

It's easy to get started!

- Simply fill in your personal details and the appropriate section below, indicating the monthly gift you wish to donate to *Creation Ministries International*.
- Carefully read the authorisation information on the back of this form.
- Don't forget your signature in the appropriate section! We cannot process your request until we have an authorising signature.

Thank you for your support.

It is vital to the ongoing work of this ministry!
